

30th June 2020

Dear Parents/Carers,

We hope you and your families are safe and well. As we move towards September we are looking towards welcoming your children back to school, this time in Reception.

Enclosed you will find information which we hope you will find useful along with an activity for your child to complete with you. We would like to use these at the start of term so if you could bring them on the first day of term that would be super.

Next week (w/b 6th July) one of us will phone you to discuss anything you feel we need to know and to share our plans for September. We are sure that, having been away from school for so long, some of you may be wary about how your child/ren will cope but please be assured we will do all that is necessary to support you and your child/ren.

In the meantime it would be wonderful if you could begin to add some information onto Tapestry about what your child is doing in the weeks leading up to starting school. This will provide us with information about your child/ren and starting points for conversations when back in school.

We look forward to speaking to you soon.

Kind Regards

Andrea Harrison and Charlotte Powdrill
