

Tai's Blog

This week Class 2 have been working very hard! In maths they have been practicing adding and subtracting in 10's! In English they have been writing interesting instructions and describing fireworks based on a picture.

Tai, School Journalist

Now that the scaffolding has been removed, please can you make sure you use the side entrance to the playground when dropping children off in the morning and are not walking through the classrooms

Food Bank

Thank you for your kind donations for the food bank

Dydh da

Year 3 and 4 are taking part in "Tales from Porth". It is a story based project which will introduce them to the Cornish Language.

They will be participating in a sequence of activities in the lead up to Liskeard Lights Up and they will have the opportunity to show off their new skills (and art work) at the festival on Saturday 2nd December 2017.
