LIVE - LAUGH - LEARN

I would like to introduce our new School Journalist, Tai Barrett

School Blog

This week, Class 2 has been learning about a number of different, interesting things. As their main topic, they have been thinking about all of the African animals and the origins of their appearance. Class 2 have coloured beautiful pictures of African animals. In Maths, Class 2 have learnt how to finish simple number sequences, and counted in steps of small numbers. In Science, they have shown they know which objects use electricity and which objects don't.

Dates for your Diary

Thu 28/09/17 - Swimming -
Y2 to Y6

Non-uniform Day

A child in school is fundraising for Pancreatic Cancer. Please support this great cause by wearing blue and purple on Friday 6th October 2017 - £1 donation.

Stars of the Week

Class 1 - James

Class 2 - Jack

Class 3 - Cerys & Ella

Sports - Elsie & Marla

Lunch

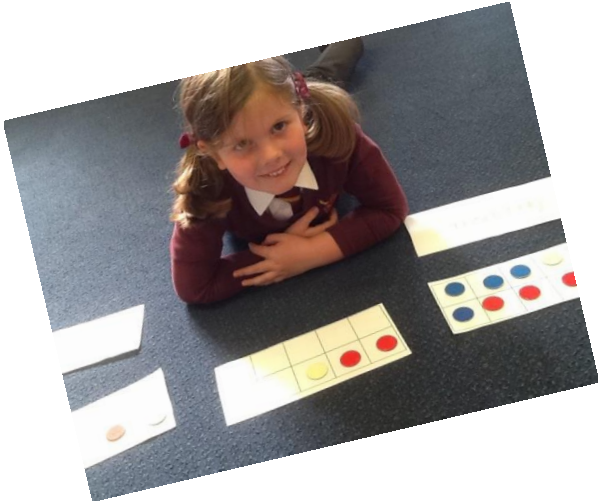

C1 - Phoebe

C2 - Lola

C3 - Reuben M

Good luck to the netball team for their first match on Thursday!

The children in Class 1 have had such a busy week. The Year 1's continued gymnastics lessons showing different ways of travelling and balancing along equipment. The reception children took part in 'Dough Disco' on Tuesday afternoon. These exercises with play-dough help the children to strengthen their fingers ready for writing. This will now take place 3 times a week with Mrs Davey leading it. The children also had a visitor from the Big Bad Wolf and the Little Pig and we thought of questions that we would like to ask them.

Notice to Parents

Please can you make sure you are not parked on the yellow zig zag lines outside of school between 8.45am and 9.15am and 3pm to 3.30pm.

Mornings – please ensure that if you come in to class with your children in the morning that you have left the classroom by 9am so that registration can commence.

Handwriting

This term we are focusing on our handwriting. All children will now be taught to form letters with a lead in line. This method makes the transition from printing to joining much simpler. We are hoping to update the website soon with examples of the style and more information.
