1. Introduction

- 1.1 The Trust recognises that it needs procedures in place to handle any type of complaint which may be made against it irrespective of the nature of the complaint. It also recognises that many complaints can start with someone 'raising a concern' which can usually be dealt with simply and informally.
- 1.2 This policy details how to make a complaint of any nature, including one for a child with Special Educational Needs (SEN). It refers to informal, formal and anonymous complaints.
- 1.3 The Trust encourages an open and honest discussion to eradicate the need for any formal complaints.
- 1.4 This policy summarises:
 - the approach it will take to take to each complaint
 - how the Trust will record, monitor and report complaints
 - which roles within the organisation may be involved with complaints
 - specific types of complaints which are dealt with by other procedures
- 1.5 Detailed procedures for dealing with a complaint by either a parent or anyone else are included at Appendix A and B respectively.

The procedure for dealing with an internal complaint by a Governor / Trustee / Member or a Local Governing Body is included as Appendix C.

2. Principles**2.1 Time**

The Trust will deal with complaints as quickly as possible – especially those which are informal.

2.2 Simplicity

The complaints procedures are designed to be easy to understand and minimise the need for meetings and formal correspondence wherever possible.

2.3 Keep the complainant informed

The Trust will keep the complainant informed of progress with dealing with their complaint, including a written response to all formal complaints.

If the Trust decides it has made a mistake or that in the future it will do things differently it will tell the complainant.

The Trust will use email as the preferred method of communicating with a complainant.

2.4 Fairness and Impartiality

All complaints will be dealt with using the appropriate procedure regardless of the nature of the complaint, and taking account of the available evidence.

Where the Trust deems it appropriate it will ensure those involved in resolving a complaint were not previously involved.

2.5 Confidentiality

All details of a complaint including the individuals involved and all associated records and documentation will remain confidential *unless* the Trust is required to make these available to certain third parties with the statutory power to request them (*for example the Department for Education or Ofsted*).

2.6 Record keeping

The Trust will keep a written record of all formal complaints including any investigations carried out and any subsequent actions it takes.

3. Exclusions to this policy

3.1 Complaints related to any of the following are dealt with by separate procedures:

- Admissions
- Child Protection
- Exclusions
- Staff Grievances

3.2 Anonymous complaints will not be considered using this policy and only investigated at the discretion of the Chief Executive or the Chair of the Board.

If the Trust decides to investigate an anonymous complaint the nature of the complaint will dictate the appropriate process deployed. The Audit Committee will log and track the progress of anonymous complaints.

4. Who deals with complaints

4.1 Which members of the Trust who will be involved with resolving a complaint will depend on a combination of the following:

- The nature of the complaint
- Who makes the complaint
- Whether the complaint reaches the formal written stage

4.2 Wherever possible the person dealing with the initial informal complaint will be someone already known to the complainant – such as their child’s teacher or the school’s Headteacher.

4.3 It is anticipated that the majority of complaints will be dealt with by staff – teachers, Headteachers, Area Executive Headteachers, the Chief Executive or a member of the central team. Governance (local Governors, Trustees, Members) will usually only become involved in resolving a complaint in the following circumstances:

- The complaint involves a Governor / Trustee / Member
- The complaint is made against a Local Governing Body or the Board of Trustees as a whole

- The complaint reaches Step 3 – a Complaints Appeal Panel
- The Chief Executive chooses to involve governance

All three tiers of governance (Members / Board of Trustees / Local Governing Bodies) may receive anonymised information about individual complaints and how they were resolved.

5. Reporting and escalating complaints.

5.1 Informal complaints- Step 1

- Parental informal complaints will be reported to the Headteacher.
- Non-parental informal complaints will be reported to the Area Executive Headteacher.
- Should a suitable resolution not be found, proceed to Step 2

5.2 Formal Complaints - Step 2

- Parental complaints received by a school will be immediately reported to the Headteacher, Area Executive Headteacher, Chief Executive and Chair of the Local Governing Body
- Non-parental complaints will be immediately reported to the Chief Executive and the Chair of the Board
- Any complaint concerning governance must be reported to the Trust Secretary

5.3 Appeal Panel – Step 3

All complaints which reach this stage will be reported to the Chief Executive, the Chair of the Board, the appropriate Headteacher, Area Executive Headteachers, the appropriate Chair of the Local Governing Body, the Trust Secretary

6. Record keeping

6.1 The Chief Executive is responsible for ensuring appropriate systems and procedures are in place to record all formal complaints. As a minimum this will include (see complaints overview record):

- Complete chronology commencing with the initial informal complaint
- Names of all individuals involved with handling the complaint
- Complete record of any written information provided by the complainant
- Summary of any verbal information supplied by the complainant
- Complete record of any written information supplied to the complainant
- Summary of any verbal information supplied to the complainant
- Record of actions taken by the school / Trust
- Record of any other sharing of information / recommendations made internally

6.2 The Chair of the Board is responsible for ensuring appropriate systems and procedures are in place to record all formal complaints about governance and the Chief Executive.

6.3 Complaints documentation will be held securely on file in line with GDPR retention periods.

7. Monitoring and reviewing complaints

7.1 The Board of Trustees is responsible for the regular review of the effectiveness of this policy and the related procedures.

7.2 The Chief Executive may recommend additions or amendments at any time.

7.3 Appropriate details of all Step 3 Complaints Appeal Panel outcomes will be shared with the Board of Trustees. At the discretion of either the Chief Executive or the Chair of the Board they will be shared with other individuals within the Trust.

8. Training in handling complaints

8.1 The Chief Executive is responsible for ensuring all employees of the Trust are aware of the policy and the related complaints, reporting and record keeping procedures. They are also responsible for ensuring all employees receive the appropriate guidance and training so they can meet their individual responsibilities.

8.2 The Chair of the Board is responsible for ensuring that all three tiers of governance are aware of the policy and the related complaints, reporting and record keeping procedures.

9. Persistent complainants

9.1 The Trust reserves the right to deviate from some or all of this policy and the attached procedures where it considers the complainant's complaint is vexatious or is the same or similar to a previous complaint which has already been resolved.

10. Unacceptable behaviour by the complainant

10.1 The Trust reserves the right to deviate from some or all of this policy and the attached procedures where it considers the complainant's behaviour to be unacceptable – including any combination of threatening, abusive or offensive behaviour.

2. What the SCHOOL will do
3. Informal Complaint – Step 1
4. Formal Written Complaint to the Headteacher – Step 2
5. Complaint heard by a Complaints Appeal Panel – Step 3
6. What you can do if you are not happy with the outcome of your complaint

1. What YOU need to do

- Check you are using the right complaints procedure
- Check you have not delayed too long in making a complaint
- Agree to follow the 3-step procedure

1.1 You **must** be a parent or carer of a child at the school to make a complaint using this Parental Complaints Procedure – *OR* you were a parent or carer of a child at the school at the time of the incident you wish to complain about.

1.2 Please check that you are making your complaint within 10 calendar weeks of the incident you wish to complain about. Complaints made after this period may not be considered.

1.3 Please follow the 3-step procedure explained below (sections 3-5).

- This Parental Complaints Procedure is designed to deal with your complaint fairly, swiftly and as simply as possible.
- If you follow the 3-step procedure explained below and start by raising your concern informally the school is confident that nearly all complaints can be resolved at this first step.
- Please do not try to bypass any step by involving someone else – for example a school governor – as the school will still need to follow all three steps.

2. What the SCHOOL will do

2.1 Treat you fairly

- All complaints will be dealt with the same way regardless of the nature of the complaint
- The school will deal with your complaint based on the available evidence
- The complaints procedure will respect the confidentiality of everyone involved
- The school will keep a written record of any investigation carried out as part of a formal (Step 2/3) complaint; together with a record of any subsequent actions it takes

2.2 Keep you informed

- If the school agrees it has made a mistake or decides that in the future it will do things differently it will tell you this
- If your complaint reaches Step 2 or 3 it will provide you with a written response

2.3 Deal with your complaint as quickly as possible

- The school will respond to informal Step 1 complaints as quickly as possible
- Formal complaints which go to Step 2 or 3 will take longer to resolve as the Headteacher may need to talk to different people to gather evidence and hear both sides of the complaint
- The deadlines the school should meet are listed in sections 3-5 below
- Please be aware that any complaint made just before a half term or other holiday will usually take longer to respond to

2.4 Consider a range of responses to your complaint including:

- Give you an apology
- Give you an explanation of the incident or procedure you are complaining about
- Explain the steps that have been taken to prevent the same thing happening again
- Confirm the school and/or the Trust will carry out a review of procedures or policies following your complaint

2.5 Explain what you can do if you are not happy with the outcome of your complaint

3. Informal Complaint - Step 1

3.1 Please speak to the class teacher, the Headteacher or another member of staff and explain your concern.

3.2 The school will aim to resolve your complaint within 10 working days (*defined as "School term-time weekdays excluding bank holidays, weekends and school holidays."*). If for whatever reason they need longer they will let you know in writing.

3.3 If your complaint is about a member of the Local Governing Body (who is not the Chair) the school will arrange for the Chair of the Local Governing Body to contact you.

3.4 If your complaint has not been resolved informally through discussion then you can proceed to Step 2.

4. Formal Written Complaint to the Headteacher - Step 2

4.1 Please complete the Parental Complaint Form and return it to the Headteacher. This form is available below. You can return it either electronically or as a paper copy.

4.2 The school will acknowledge they have received your form in writing within 5 working days.

4.3 The Headteacher will investigate your complaint within 15 working days. If for whatever reason the investigation requires longer than 15 working days the school will write to you and explain why and provide the expected date for reaching a decision.

4.4 If your complaint is about the Headteacher or the Chair of the Local Governing Body please contact the Trust by completing the Parental Complaint form using any of the following methods to explain your complaint:

- By email to complaints@bridgeschools.co.uk
- By post to Bridge Schools, Higher Trebyan, Lanhydrock, Bodmin, Cornwall, PL30 5DQ.

Your form will be forwarded to the appropriate Area Executive Headteacher/ Chair of Trustees. They will follow the same process as if the school was handling your complaint.

4.5 When the Headteacher/Area Executive Headteacher/Chair of Trustees has completed their investigation they will write and tell you the outcome of your complaint. This will usually be one of the following:

- Your complaint cannot be upheld (agreed with) because the available evidence is insufficient or did not substantiate your complaint
- The school does agree your complaint is valid either in part or in full

4.6 In both cases you will receive an outline of your complaint, a brief summary of what actions were taken, and the reasons for the decision.

4.7 In addition you will receive a brief summary of any further action the school will take following your complaint. Please understand this *will not* make any reference to any individuals involved in the complaint.

4.8 If you are unhappy with the outcome of your Written Complaint at Step 2 you can make an appeal against the school's decision to a Complaints Appeal Panel. Please follow the procedure in Step 3 below.

4.9 If you do not choose to appeal within 15 calendar days of the date of your written response from the school then the school will consider the complaint closed and no further action will be taken.

5. Complaint heard by a Complaints Appeal Panel - Step 3

5.1 To make your appeal you must complete a Complaints Appeal Form and return it to the Trust within 15 calendar days of the date of the written response to your original complaint. This form is available below. You can return it either electronically or as a paper copy.

- By email to complaints@bridgeschools.co.uk
- By post to Bridge Schools, Higher Trebyan, Lanhydrock, Bodmin, Cornwall, PL30 5DQ.

5.2 The Trust will acknowledge they have received your form in writing within 5 working days. They will also inform you that you have a further 7 calendar days to submit any further documents in support of your appeal.

5.3 The Trust will consult with you to organise a convenient time and date for the Complaints Panel which will usually be held at the school/Trust central offices and within 20 school working days of receiving your Complaints Appeal Form. You can ask someone to accompany you to the panel if you wish. If you do choose to submit more documentation the school *may* extend arranging the panel to 30 working days.

5.4 All forms and other documents will be sent to you, the school and the panel members no later than 5 working days before the date of the panel.

5.5 The panel will consist of three people at least one of whom will have no connection with the running of the school. In addition none of the panel will have had any previous connection with your complaint. You will be told in advance who the panel are and whether they have any connection with either the school or Bridge Schools Trust. An explanation of how the panel will run will be sent to you in advance.

5.6 The outcome of the Complaints Appeal Panel will usually be one or more of the following:

- Your complaint is dismissed in whole or in part
- Your complaint is upheld in whole or in part
- The panel decide on an appropriate action to be taken to resolve the complaint
- The panel recommend to the school or the Trust that changes are made to systems/procedures/policies to ensure problems of a similar nature do not recur

5.7 The Chair of the Complaints Appeal Panel will write to you within 10 working days with the findings of the panel – which are final. A copy of the findings will also be sent to the Area Executive Headteacher /Headteacher, the person complained about (*where relevant*), the Chief Executive and the Chair of Trustees.

6. What you can do if you are not happy with the outcome of your complaint.

6.1 If you have completed all three steps of this Parental Complaints Procedure and are not happy with the outcome you can complain to the Education Funding Agency (EFA). You can use the Department for Education's schools complaints form for this. Please be aware that the EFA clearly state you *must* follow the school's 3-step parental complaints procedure first.

6.2 The EFA have also published guidance on their procedure for dealing with complaints about academies.
