

15th July 2021

Dear Parents

Sports Day success

We are really thrilled with the success of this year's Sports Day. The children all enjoyed the event and supported each other. Thank you all so much for your wonderful support in helping it to run safely and I hope you enjoyed the opportunity to watch your children. This year has been yet again another unprecedented time so it was nice to have a little element of normality.

Classes and transition for September

I just wanted to write to you to let you know a little bit more about our plans to support the children with transitions to their new classes in September. I also wanted to clarify the class structures. Our class structures often fluctuate depending on the number of children in each cohort. As the school grows these changes occur more frequently over time. This year some of our year groups are significantly larger than others. With the EYFS and KS1 we endeavour to keep class sizes as small as possible. On Tuesday there will be a whole school transition session, where the children will spend time with their teacher and class for September. These sessions provide us with the chance to get to know each other a little bit and for the children to familiarise themselves with the classrooms, etc., the teachers have also been busy putting together transition leaflets for the children who will move classes, this is for them to look at in the summer holidays in preparation for their return in September.

Key Stage	Class name	Teacher and TA	Year group
EYFS & KS1	Class 1	Mrs Wakeham Mrs Gravenor	Reception and Year 1
KS1	Class 2	Mrs Fenton & Mrs Forbes Mrs Harper	Year 2
KS 2	Class 3	Mrs Horn Mrs Lee & Mrs Rickard	Year 3 and Year 4
	Class 4	Ms Porter Mrs McLaren	Year 5 and Year 6

Next week is the last week of school

We have lots to still fit into the last week of this school year. Year 6, in particular have some exciting things instore for them.

Even though the government has progressed the country forward to step 4 and is lifting many COVID restrictions, we will not be making any changes to our operation systems in school during this final week. We will be working with our health and safety team as soon as more detailed guidance from the DfE for September is received. I will be able to write to you again next week to let you about how our systems will work in September.

I hope you can get out and enjoy the sunshine this weekend.

Stay Safe

Kelly Edwards

Head of School
