

Dear Parents/Carers,

27<sup>th</sup> March 2018

### **Annual parent questionnaire**

Thank you to all of you who have come to parent consultations last week. We hope you have found it a useful update on your child's learning and progress. It is now that time of the year again when we seek your views about our school. This year we would like you to complete a new parental questionnaire using the Bridge Schools on-line system which allows all responses to be automatically collated.

We are aware that some of you may not have access to the internet and so we will provide all parents who would like one with a paper version which the office team will 'input' on your behalf. Paper copies can be collected from the office. Equally, we can offer you the opportunity to complete the questionnaire online in school. Please ask Mrs Trevaskis at reception if you wish to do this and we can arrange a suitable time for you.

To complete the questionnaire online please use/click on the following link:

Feedback from previous questionnaires has led us to change many things that we do at Pelynt Primary Academy. A few of the changes introduced following our most recent parental feedback analysis were:

- Facilitating family learning workshops for parents regarding maths and ICT
- More opportunities for parents to visit/join in with school events
- Staff availability in the mornings and after school to speak about your child.

We are currently looking at ways in which we can regularly canvass parental views as we already have a successful parent support group, which is led by our autism champion. Through their informal coffee & chat mornings they have worked together to support children with individual needs at Pelynt Academy. Their latest meeting provided the school with a wealth of information for the school to support the way we raise awareness of autism, especially during National Autism Week.

Thank you in advance for helping us to collect your views, we like to know what you are thinking so that we can't build on your ideas!

Please complete the questionnaire online or on paper by 16<sup>th</sup> April 2018. After this date all the information will be collated. We will issue a summary in a future newsletter.

If you wish to discuss anything in more detail, please make an appointment at the office to see me.

Yours faithfully

Miss Kelly Edwards
