

Summer Newsletter

Over the spring term we have seen some weird and wonderful creatures on our Veg Power promotions and some amazing theme days, such as St Pirans Day and Chinese New Year. We are looking forward to the summer term, celebrating National Fish and Chip day and the Queens Jubilee Picnic and hopefully some Added Value sessions and taster days back in full force. If you have not already signed up to do these theme days please let us know. If you would like more information on theme days or added value sessions please contact us on the numbers below. As always, your support is invaluable, we would like to thank you all for continuing to support our kitchen staff and admin by sending your menu information and meal numbers promptly to us.
