

Dear parents,

Please find attached a piece of blank bunting. We would like you to decorate your bunting with all of your favourite things. It could be photos or drawings of your family, pets, friends, places you visit, toys or stories. Whatever the children want and when the children start school we will decorate the classroom with their bunting. We are really looking forward to getting to know more about the children and starting our fun filled learning journey together.

Kind regards

The EYFS Team.
