

TOILET DISCLAIMER

From time to time 'accidents' can happen, and have to be dealt with. Please could you fill in the following disclaimer so that we are able to attend to your child in the manner in which you prefer.

I give my permission for a Class Teacher or a Teaching Assistant at Trenode School to clean my child should my child have a toilet accident at school. If spare uniform is not provided by myself I will ensure that borrowed clothes are returned to school washed and ironed within a week.
