

Trenode Primary Academy Accessibility Plan 2021-2022

Purpose of Plan

The purpose of this plan is to show how our educational setting intends, over time, to increase accessibility to the physical environment, the curriculum and written information so that all pupils/students with a disability can take full advantage of their education and associated opportunities.

Definition of disability

A person has a disability if they have a physical or mental impairment that has a substantial and long-term adverse effect on their ability to carry out normal day-to-day activities.

Key Aims

To increase and eventually ensure for pupils/students with a disability that they have:

- total access to our setting's environment, curriculum and information and
- full participation in the school community.

Principles

- Compliance with the Equality Act is consistent with our setting's aims and equal opportunities policy and SEN information report.
- Our staff recognise their duty under the Equality Act:
 - Not to discriminate against disabled pupils in their admissions and exclusions, and provision of education and associated services
 - Not to treat disabled pupils less favourably
 - To take reasonable steps to avoid putting disabled pupils at a substantial disadvantage
 - To publish an accessibility plan
- In performing their duties governors have regard to the Equality Act 2010
- Our setting:
 - recognises and values the young person's knowledge/parents' knowledge of their child's disability

- recognises the effect their disability has on their ability to carry out activities
- respects the parents' and child's right to confidentiality
- The setting provides all pupils with a broad and balanced curriculum that is differentiated, personalised and age appropriate

Increasing Access for disabled pupils to the school curriculum

This includes teaching and learning and the wider curriculum of the school such as participation in after school clubs, leisure and cultural activities or school visits.

- Our school offers a differentiated curriculum for all pupils
- We use resources tailored to the needs of pupils who require support to access the curriculum
- Curriculum resources include examples of people with disabilities
- Curriculum progress is tracked for all pupils, including those with a disability
- Targets are set effectively and are appropriate for pupils with additional needs
- Provision of a robust and highly regarded connected curriculum.
- The curriculum meets the needs of all pupils

Improving access to the physical environment of the school

This includes improvements to the physical environment of the school and physical aids to access education.

The environment is adapted to the needs of pupils as required. This includes:

- Ramps
- Corridor width
- Parking bays that have enough space for a car with disability requirements
- Disabled toilet and changing facilities
- Library shelves at wheelchair-accessible height
- Ease of access to all areas of the school without exception

Improving the delivery of written information to disabled pupils

This will include planning to make written information that is normally provided by the school to its pupils, available to disabled pupils.

Examples might include handouts, timetables, textbooks and information about school events. The information should take account of pupils' disabilities and pupils' and parents preferred formats and be made available within a reasonable time frame.

Our school will use a range of communication methods to ensure information is accessible. This includes:

- Internal signage
- Large print resources
- Braille
- Pictorial or symbolic representations
- Consideration of where resources are sited for access and visibility

Increasing Access for disabled pupils to the school curriculum						
Accessibility Outcome	Current Good Practice	Action to ensure Outcome	Who responsible	Long, medium or short-term	Time Frame	Notes
All pupils receive a rich and broad curriculum that provides diversity and equality and meets the needs of all learners	Our school offers a differentiated curriculum for all pupils	SLT to monitor and review the connected curriculum offer and focus on provision for SEND pupils and differentiation for same SENDCo/Asst. Head	SLT, SENDCo	Long term	Half-termy	
Clear and well defined interventions improve the progress and attainment of all learners	We provide resources and interventions that are tailored to the needs of pupils who require support to access the curriculum	Head/SENDCo to audit interventions and their success/impact and benchmark with other MAT schools	SLT, SENDCo	Short-term	Half-termy	
Classrooms are organised to promote the participation of and independence for all pupils where applicable	Curriculum progress is tracked for all pupils, including those with a disability. Targets are set effectively and are appropriate for pupils with additional needs	SENDCo to undertake an audit of resources and quality first teaching to ensure that lessons are planned to meet the needs of all pupils in the class	SLT, SENDCo	Short-term	Half-termy	
SEND pupils have access to appropriately designed technology to allow for alternative means to	Pupils have access to a range of technology to support their learning needs.	Update and introduce new technology where relevant and urgently if a specific need arises.	SENDCo	Short-term	When needed
